Vita

Mr.Preecha Sowanthip was born in October 13, 1977 at Bangkok. He obtained Bachelor of Science (chemistry major) in 1999 from Chulalongkorn University. In 1999 he was admitted to the Master degree program, Organic chemistry at Chulalongkorn University. During he was studying, he received the teaching assistant scholarship for 3 years from Faculty of Science, Chulalongkorn University.
