## BIOGRAPHY

Mr. Chonlatee Cheewasedtham was born in Bangkok on December 16, 1962. He graduated with the degree of Bachelor of Science from Department of Science, Srinakarinwirot University, Bangsaen Campus, Chon Buri in 1983. After graduation, he had worked as research assistant in the same University for two year and came to study Marine Biology in the Department of Marine Science, Chulalongkorn University. During 1988 - 1989, he worked as the Fishery Research Assistants in the UNDP/UNESCO Regional Mangroves Project RAS/86/120 Integrated Multidisciplinary Survey and Research Programme of Ranong Mangrove Ecosystem, Thailand.
