VITA

Miss Roongsiri Masarat, born in August 27, 1952 at Chiangmai, was awarded B.Sc. (1st class Hons.) in Mathematics in 1973 by Chiangmai University, and entered the Graduate School of Chulalongkorn University under U.D.C. scholar ship a year after. At the present working as an Instructor of Mathematics at King Mongkut's Institute of Technology, North Bangkok Campus.
