VITA

My name is Mr.Sataporn Wuttiapan. I was born on 30th July,1969, Bangkok.
I received the Certificate of Mathayom Suksa VI from Trium Udomsuksa Pattanakarn School ,
Bangkok in March ,1987, and the Bachelor of Science in Physics from Chulalongkorn University
in April, 1991. I received The Royal Thai government scholarship for persuing Bachelor and
Master degree in Physics in Chulalongkorn university.
