VITA

Miss. Churairat Thanacharuphamorn was born on June 18, 1974 in Chonburi, Thailand. She received her Bachelor degree of Education in Chemistry from Chulalongkorn University in 1997. After that, she has been a graduate student at the Department of Chemistry Chulalongkorn University and become a member of Environmental Analysis Research Group under the supervision of Assistant Professor Dr. Apichat Imyim. She finished her postgraduate study with the Master degree of Science in 2006.
