## VITA

Miss Narumon Sawasdipuksa was born on September 8, 1980 in Bangkok. She obtained a Bachelor of Science, from Department of Chemistry, Faculty of Science, Chulalongkorn University in 2000. She was admitted to the Master degree program in Organic chemistry at Chulalongkorn University in 2001. While she was studying, she received the teaching assistant scholarship from Faculty of Science, Chulalongkorn University.
