VITA

Mr. Wanchai Pluempanupat was born on July 12, 1976 in Bangkok, Thailand. He received a Bachelor Degree of Science in Chemistry at Kasetsart University in 1999 and Master Degree of Science in Chemistry at Chulalongkorn University in 2001. Since then, he has been a graduate student studying organic chemistry as his major course at Chulalongkorn University. During his studies towards the Doctor of Philosophy's Degree, he was supported by HM. King Rama IX 72th Anniversary, Chulalongkorn University for pursuing Ph.D. degree and was awarded a teaching assistant scholarship by the Faculty of Science during 2001-2004.

His parent address is 3739/62 Wat Pai Ngen Road, Bang Kloh, Bangkorlaem, Bangkok, Thailand, 10120, Tel: 02-674-8635.
