3. Age : year 🗆 🗆				
4. Highest education :				
a) Primary school or below	b) Secondary school to Diploma			
☐ c) Bachelor degree to graduate ☐	d) Other			
5. Occupation :				
a) Agriculture	b) Business			
C) Private employee	d) Labor			
e) Unemployment	f) Civil servant or Enterprise employee			
g) Housewife	☐ h) Student or child			
6. Income per month (poor criteria: 2,800 bah	per month for household or 2,000 baht per month			
for single)				
☐ Household per month				
7. Health insurance coverage: (can answer >	1)			
\square a) Out of pocket	☐ b) CSMBS			
☐ c) Social security	d) Health card(MOPH)			
☐ e) Health welfare(Low income, elderly, child etc.) ☐ f) Other				
Part II: The service perception of clients.				
8. Symptom and signs :				
The mainly reason that decided to contact				
a) Geographical reason (not distance)				
c) Special physician	d) Low price			
☐ e) Rapidly service	f) Convenient place			
er er ey ee tee	, . = . = . = . = . = .			

10.	The last health facilities used :				
	a) Self-care	☐ b) Drug store	a c) Primitive medicine		
	☐ d) Health centre	e) Village Health Voluntee	er centre		
	☐ f) Private clinic/private hospi	tal			
	g) Public hospital	☐ h) Other			
11.	This episode payment:				
	$\hfill\Box$ a) User fee or out of pocket	☐ b) Covered by health inst	urance as No. 7 above		
	☐ c) Other				
12.	Information about their illness a	nd diagnosis :			
	a) Not Informed	☐ b) Informed but did not u	nderstand		
	\square c) Informed and clearly under	erstand			
13.	Health education about treatme	ent and drug prescription:			
	a) Not informed	☐ b) Informed but did not u	nderstand		
	and clearly under	erstand			
14	. Waiting time for registration :				
	\square a) Too long time	☐ b) Moderately	☐ c) Rapidly		
15	15. Waiting time for physical examination :				
	\square a) Too long time	☐ b) Moderately	\square c) Rapidly		
16	. Waiting time for cashier :				
	\square a) Too long time	☐ b) Moderately	☐ c) Rapidly		
17. Waiting time for drug received :					
	a) Too long time	b) Moderately	C) Rapidly		
18. Waiting time for radiology service :					
	\square a) Too long time	☐ b) Moderately	☐ c) Rapidly		
19	. Waiting time for laboratory serv	vice :			
	\square a) Too long time	☐ b) Moderately	☐ c) Rapidly		
20	. Certainly come back to contac	t again:			
	☐ a) Willingness to come back	\square c) Refused to come back	< □ c) Doubtful		
21	. Suggestion relatives to contact	in the next episode:			
	a) Suggestion	b) No suggestion	☐ c) Doubtful		

FOIL III . THE INDICATION OF THE CHEILS WILL SELVICE FECE	Part	ession of the clients with	h service received
---	------	----------------------------	--------------------

Criteria selection: 5= very good, 4= good, 3= fair, 2=poor, 1= poorest				
22. The general convenient:	26. The advertising support:			
23. The cleanness of rest room:	27. The attention of physician:			
24. The queueing of waiting line:	28. The physical examination:			
25. The co-ordination within unit of service:	29. The attention of nurse:			
30. The mainly service of clinic that should be improve :
