VITA

Miss Kornpat Wattanakul was born on July 23, 1979 in Bangkok. She received a Bachelor degree Science, from King Mongkut's Institute of Technology Thonburi in 2000. She has been a graduate student of the Program of Petrochemistry and Polymer Science, Faculty of Science, Chulalongkorn University and completed the program in 2003. Currently, she serves as a product development at the TPE (Thai Polyethylene) Co., Ltd.
