## CURRICULUM VITAE

Mr. Jakree Anantasirisombat was born on 6 April 1980 in Bangkok, Thailand. He received a bachelor degree in Electrical Engineering, major in Control Engineering from Department of Electrical Engineering, Faculty of Engineering, Kasetsart University, in 2000. He started a master degree in Computational Sciences, Department of Mathematics, Faculty of Sciences, Chulalongkorn University in 2001. He has been working as an engineer at Advanced Info Service PLC since 2000. He is risible for operation and maintenance of mobile telecommunication network in Bangkok.
