VITA

Mr. Charlee Thongruang was born on June, 12 1966 in Singburi, Thailand. He received his Bachelor of Pharmaceutical Science in 1990 from Chulalongkorn University, Bangkok, Thailand. At present, he has been appointed as a student in University Development Commission (UDC) Program of the Department of Pharmaceutical Chemistry and Pharmacognosy, Faculty of Pharmaceutical Science, Naresuan University, Pisanulok, Thailand.
