VITA

Mr. Thitipongse Tavornvisitporn was born on May 8, 1950. He received the Bachelor's degree in Mechanical Engineering from the Faculty of Engineering, Chulalongkorn University in the academic year 1971. A year later he continued his study in the Graduate School of Chulalongkorn University. For the time being, he is working as Mechanical Engineer Grade 4 in the Department of Co-operative Promotion, Ministry of Agriculture and Co-operatives.
