VITA

Miss Waraporn Achimangkur was born on September 29, 1954 in Nakornsrithamarat. She received her B.Sc. in Chemistry from Faculty of Science, Chiangmai University in 1975. She was supported by the University Development Commission Scholarship during **the study towards the Master's degree of Science**. After her graduation, she will be an instructor at Faculty of Science, Prince of Songkla University.
