### Vita

Mr. Somchai Mahakunlayanakul was born in Bangkok on May 25, 1971. In 1991 he was given the responsibility to be the editor of the university newsletter. He graduated with the degree of Bachelor of Science from the Department of Animal Production Technology, King Monkut's Institute of Technology, Ladkrabang in 1992. After graduation, he had been to Eschenhof, Germany for a practical training on mixed farming. He became a graduate student in the Department of Marine Science, Chulalongkorn University in 1992. In 1996 he had been to the University of Copenhagen, Denmark for a short course on marine mammalogy.
