## Biography

**Name:** Ms.Orawan Tinnungwattana.

**Date of Birth:** 11<sup>th</sup> August, 1974.

**Educations:**

- Ph.D., Program in Computer Science, Department of Mathematics, Chulalongkorn University, Thailand, (June 2002 - March 2006)
- M.Sc. Program in Information Technology, King Mongkut's Institute of Technology Ladkrabang, Thailand. (June 1996 - March 1998).
- B.Sc. Program in Applied Mathematics, King Mongkut's Institute of Technology Ladkrabang, Thailand. (June 1992 - March 1996).

**Publication papers:**

- O.Tinnungwattana and C.Lursinsap. Statistical Feature Selection From Chaos Game Representation for Promoter Recognition, *Proceedings of the 2<sup>nd</sup> International Conference on Bioinformatics*.
