CURRICULUM VITAE

Name: Ms. Prieu Eiamlamai

Date of Birth: August 23, 1983

Nationality: Thai

University Education:

2002-2006 Bachelor Degree of Chemistry, Faculty of Science, Chiang Mai University, Chiang Mai, Thailand

Honors and Scholarships:

1. First class honor in B.Sc. (Chemistry)
2. Development and Promotion of Science and Technology Talents Project (DPSP) Scholarship since 1999-2008.

Presentations:

1. Eiamlamai, P., Tossatitpaisan, P., and Chirachanchai, S. (2008, June) Model Heterocyclic Molecule to Investigate Hydrogen Bond and its Protonic Channel (Part 1) : Molecular Design and Synthesis. Paper presented at MACRO 2008, Taipei, Taiwan.
2. Eiamlamai, P., and Chirachanchai, S. (2008, April) Molecular Design and Synthesis of Benzimidazole Heterocycle: A Model Molecule for a Hydrogen Bonded Proton Transfer Network. Paper presented at the 14th PPC Symposium on Petroleum, Petrochemicals and Polymers, Bangkok, Thailand.
