CURRICULUM VITAE

Name: Sarute Ummartyotin

Date of Birth: 9 May 1984

Nationality: Thai

University Education:

2006-2008 Mater Degree of Engineering in Surface Science and Technology, Ecole Nationale Supérieur d'Ingenieur de Limoges, Limoges, France

2002-2006 Bachelor Degree of Engineering in Materials, Kasetsart University, Bangkok, Thailand

Publications:

- 1) Ummartyotin S., Juntaro J., Wu C., Sain M., Manuspiya H., “*Deposition of PEDOT: PSS nanoparticles as a conductive micro-layer anode in OLEDs device by Desktop Inkjet Printer*”, Journal of Nanomaterials (2011) Article ID 606714.
- 2) Ummartyotin S., Juntaro J., Sain M., Manuspiya H., “*Development of optically transparent film of bacterial cellulose as substrate for flexible organic light emitting diode (OLEDs) display*”, Industrial Crops and Products, 35, 1 (2012) 92-97.
