BIOGRAPHY

Madeleine Thurston was born in England and graduated with a joint honours degree in the History of Art and European Thought and Literature from Anglia Polytechnic University in 1988. Having previously worked in both publishing and training, she opted for a career in English language teaching. After working in England for a short while, she left the country to take up a position as an English language instructor within the Thai University system.

She joined the Thai Studies programme offered by Chulalongkorn University in 1999 while working at the University's Sasin Graduate Institute of Business Administration,

During her time in Thailand she has pursued interests in both local and alternative healing therapies. As well as acquiring counseling skills for voluntary work on a local helpline, she is also a practitioner of Thai massage, Reiki healing and hypnotherapy.
