CURRICULUM VITAE

Dr. Wichai Naiyaraksaeree was born on July 26, 1961 in Bangkok. He graduate with Doctor of Medicine from Mahidol University in 1986. He received Diplome of Board of Internal Medicine from Chulalongkorn University Hospital in 1992. At present he is a research fellow in Division of Nephrology, Department of Medicine, Faculty of Medicine, Chulalongkorn University Hospital.
