CURRICULUM VITAE

Name: Ms. Jatuporn Kanuengnuek

Date of Birth: March 27, 1989

Nationality: Thai

University Education:

2009–2013 Bachelor Degree of Chemical Engineering, Faculty of Engineering, Rangsit University, Pathum Thani, Thailand

Proceeding:

1. Kanuengnuek, J.; Rangsunvigit, P.; and Kulprathipanja, S. (2015, April 21) Effects of different seedings on the crystallization of *m*- and *p*-CNB. Proceeding of the 6th Research Symposium on Petrochemical and Materials Technology and The 21st PPC Symposium on Petroleum, Petrochemical, and Polymer, Bangkok, Thailand.

Presentations:

1. Kanuengnuek, J.; Rangsunvigit, P.; and Kulprathipanja, S. (2015, April 21) Effects of different seedings on the crystallization of *m*- and *p*-CNB. Paper presented at the 6th Research Symposium on Petrochemical and Materials Technology and The 21st PPC Symposium on Petroleum, Petrochemical, and Polymer, Bangkok, Thailand.
2. Kanuengnuek, J.; Rangsunvigit, P.; and Kulprathipanja, S. (2015, May 20-22) Crystallization phase diagram of *m*- and *p*-Chloronitrobenzene: Effects on seeding. Paper presented at EST – The International Conference and Exhibition on Energy, Science & Technology in Karlsruhe, Germany.
