## VITA

Miss Nathathai Wiboonpun was born on December 4 , 1972 in Bangkok province , Thailand . She received the Bachelor of Science Degree in Chemistry at Chulalongkorn University in 1994. Since 1994 , she has been a graduate student studying Organic Chemistry at Chulalongkorn University. During her studies towards the Master's degree , she was awarded a teacher assistantship by the Faculty of Science during 1994-1996 and was supported by a research grant for her Master degree's thesis from the Graduate School , Chulalongkorn University.
