VITA

Miss Nahathai Rerkruthairat was born on July 27, 1981 in Petchaboon, Thailand. She got a Bachelor of Education in Mathematics with the first class honour from Chulalongkorn University in 2003. She received a scholarship from the University Development Commission (UDC) to further her study for master program in mathematics under the requirement of Srinakarinwirot University. After this graduation, she will prepare herself ready to further her study for a Ph.D. program in mathematics.
