## VITA

Miss Fukiat Satsanguan, borned in Songkla Province on May 2, 1949, recieved her Bachelor Degree of Science in 1972 in the Faculty of Science, Chulalongkorn University. Since 1972, she was enrolled as a staff member of Waste Disposal Division, Office of Atomic Energy for Peace. In 1974, she was awarded a one year fellowship by International Atomic Energy Agency to be trained in the field of Radiological Science at Cornell University, New York, U.S.A. After the completion of her training, she was promoted as a head of Environmental Radiation Pollution Section at the same organization.
