BIOGRAPHY

Miss. Amnith Tantasuparuk was born in Bangkok in 1966. She studied at the Strividhaya School for the pre - university education in Bangkok between 1978 and 1983. She had graduated with the B.Sc. in Geology from Chiang Mai University in 1987. After graduation, she worked with the Siam Graphite (Loei) Corperation Limited for six months. In 1988, she had continued her post - graduate study in the same field at Chulalongkorn University. During three - year post graduate study (1988-1990), she had been granted a teaching assistantship.
