## VITA

Mr. Wichai Witayakiatilerd was born on February 5, 1981 in NakornPathom, Thailand. He graduated with a Bachelor Degree of Science in Mathematics from Silpakorn University in 2003. He got a scholarship from DPST project in 1996 to 2005 for his study in Mathematics. For his Master degree, he has studied Mathematics at the Faculty of Science, Chulalongkorn University.
