## **BIOGRAPHY**

Mr. Sontaya Krichnavaruk was born on 31<sup>st</sup> March, 1977 in Bangkok. He finished his higher secondary course from Assumption College in March, 1995. After that, he studied in the major of Chemical Engineering in Faculty of Engineering at Chulalongkorn University. He continued his further study for Master's degree in Chemical Engineering at Chulalongkorn University. He participated in the Biochemical Engineering research group and achieved his Master's degree in April, 2000.
