VITA

Miss Sukanya Dej-adisai was born on September 16, 1972 in Songkhla, Thailand. She received her Bachelor's degree of Science in Pharmacy (Second Class Honor) in 1996 from the Faculty of Pharmaceutical Sciences, Prince of Songkla University, Thailand. She was awarded a University Development Commission (UDC) scholarship with an obligation to serve, after the completion of her M.S. study, as a member at the Department of Pharmacognosy and Pharmaceutical Botany, Faculty of Pharmaceutical Sciences, Prince of Songkla University.
