VITA

Mr. Charungkit Jaikaew was born on March 28, 1972 in Chiang Mai. He graduated with Bachelor's Degree of Science (Chemistry) from Ramkhamhaeng University in 1996. Since then he has joined the Production of ABS plant, IRPC Public Company Limited in 1997, he was accepted as a graduate student in the M.Sc. course in Petrochemistry and Polymer Science Program, Faculty of Science, Chulalongkorn University since 2008. He has contributed a technical paper entitled "Reactive Melt Grafting of High-Density Polyethylene-g-Maleic Anhydride Compatibilizer by Twin Screw Extruder" paper no. IPD-PP-01: 416-419, presented at the first Polymer Conference of Thailand, held October 7-8, 2010 at the Convention Center, Chulabhorn Research Institute, Bangkok, Thailand.
