CURRICULUM VITAE

Name: Ms. Chompoonut Phungklun

Date of Birth: January 28, 1983

Nationality: Thai

Work Experience:

2005-2007 Product engineer at Spansion (Thailand) Ltd., Bangkok, Thailand

University Education:

2001-2005 Bachelor Degree of Chemical Technology, Faculty of Science, Chulalongkorn University , Bangkok, Thailand

Presentation:

Phungklun, C., Rirksomboon, T., Osuwan, S., Resasco, D.E., and Jongpatiwut, S. (2009, April 22) Sulfur Tolerance of PtSn/KL and PtSnRE/KL Catalysts. Paper presented at The 15th PPC Symposium on Petroleum, Petrochemical and Polymers, Bangkok, Thailand.
