Biography

Mr. Supakit Chantaravisutilert was born at Bangkok, Thailand on May 24th, 1974. He graduated from the Department of Industrial Engineering, Faculty of Engineering, Chulalongkorn University in April, 1996. Afterward, he resumed his study for Master's degree in Engineering Management at The Regional Centre for Manufacturing Systems Engineering, Chulalongkorn University in May, 1998, as a full-time student.

He had worked in plastic manufacturing industry at Nawaplastic Industries Co.,Ltd., Rayong, during 1996-1998 for about 1.5 year, as a process engineer for plastic injection molding process. At present, he lives in Bangkok.
