CURRICULUM VITAE

Name: Ms. Teerarut Montai

Date of Birth: July 12, 1986

Nationality: Thai

University Education:

2005 – 2008 Bachelor Degree of Engineering in Petrochemical and Polymeric Material, Faculty of Engineering and Industrial Technology, Sipakorn University, Nakornpathom, Thailand.

Work Experience:

2008 Position: Project Based Internship Student
Company: Nitrochemical Industry Limited, Thailand

Presentations:

1. Montai, T., Osuwan, S., Butnark, S., and Jongpatiwut, S. (2011, April 13) Production of Bio-jet Fuel from Jatropha Oil over H-Y-Supported Catalyst. Poster presented at The 1st EUChEMS Inorganic Chemistry Conference, Manchester, United Kingdom.
2. Montai, T., Jongpatiwut, S., Osuwan, S., and Resasco, D.E. (2011, April 26) Catalytic Conversion of Jatropha Oil to Bio-jet Fuel over Pt, Ru, and Ir Supported Catalysts . Poster presented at The 2nd Research Symposium on Petroleum, Petrochemicals, and Advanced Materials and The 17th PPC Symposium on Petroleum, Petrochemicals, and Polymers, Bangkok, Thailand.
